We welcome you to our relaxing getaway!

What we most expect from our vacations is to be able to get away, stretch out, breathe some fresh air, relax in a beautiful place, share some fun time with friends and family, and maybe catch a few fish too! But what we really take away from a vacation are the memories... precious moments spent with loved ones... that we can treasure for a lifetime! We are dedicated to providing you with the natural and resort environments you need to be able to go home relaxed and refreshed after your vacation is over...with great memories to keep!

Making Minnesota Memories

Great sunrises!

Boating on 8 lakes!

There's plenty to do while vacationing in the Cass Lake Area. With easy access to 8 great fishing lakes and 2 rivers, Cass Lake is large enough that you will never explore it all in one vacation. There are many bays and islands which make fishing easy on windy days. Cass is known for its walleye, musky, largemouth bass, bluegill, crappie, and perch fishing. It is also a wonderful lake for boating, skiing, and swimming. Area attractions include museums, gaming casinos, theater, golf courses, and miles of hiking and biking trails.

Watersports!

Meetings and family reunions

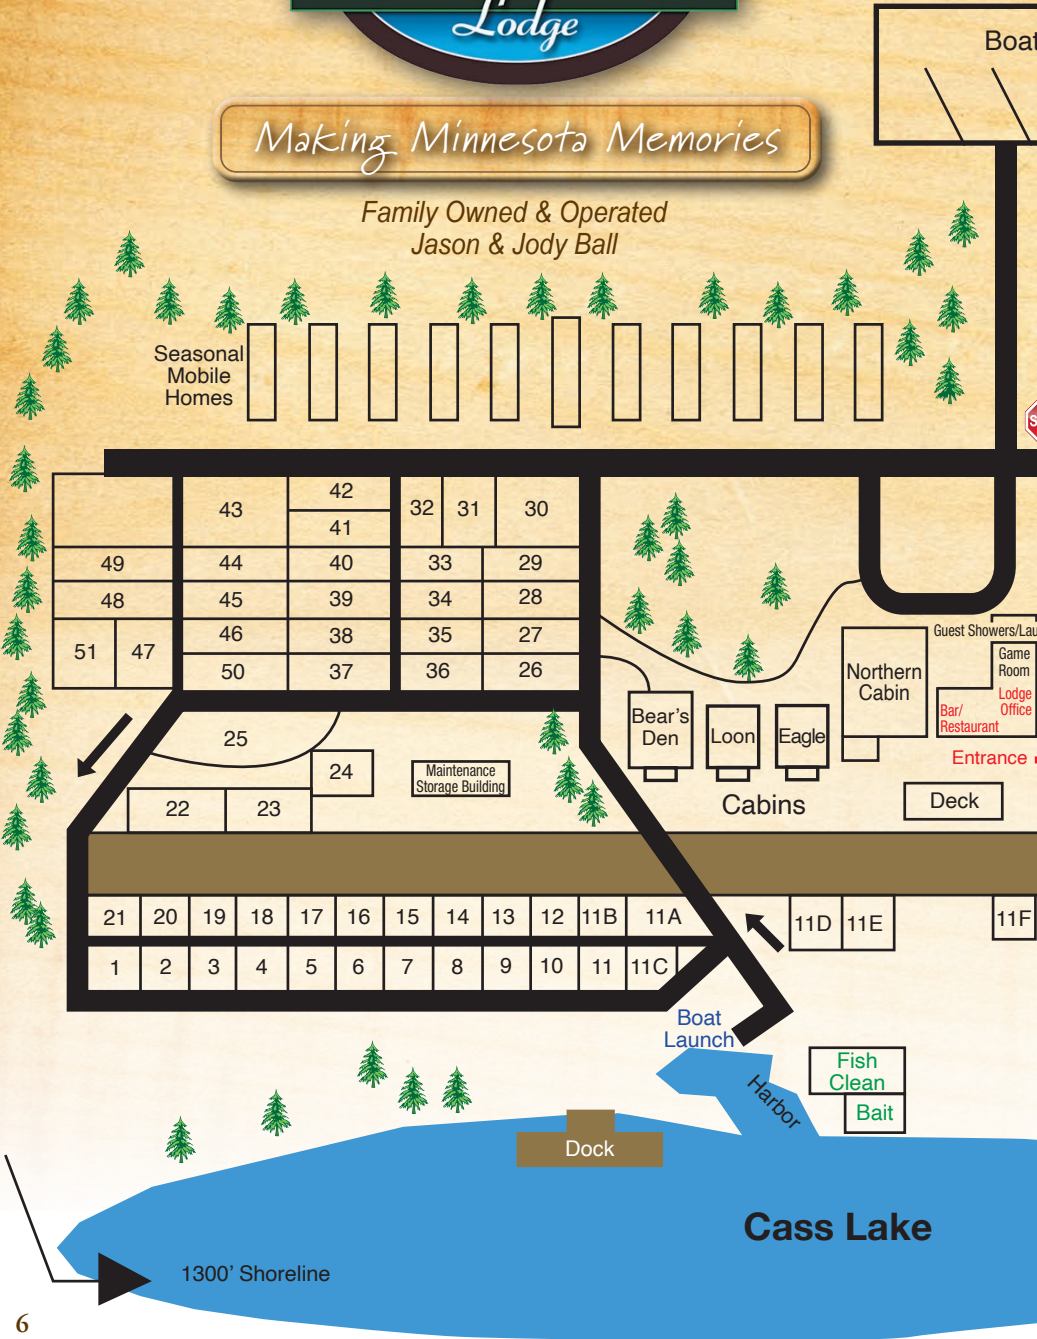

Fabulous sand beach!
